"It is unlawful for these trees, shrubs, and other plants to be resold with the roots attached, in accordance with the Insect Pest and Plant Disease Act, P.A. 189 of 1931, as amended."

The Montcalm Conservation District does not guarantee survival; liability ceases after stock is received by buyer.

The Montcalm Conservation District prohibits discrimination in all it's programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status.

Please give input on the Conservation District programs.

Our mission: Protecting Montcalm County's natural resources through education, outreach and partnerships.

Choose the three most important topics and rank them below. You are encouraged to write in others.

Specialty crops such as fruits & vegetables, wildlife habitat, water quality, livestock, cover crops, energy conservation, soil erosion, forestry, environmental education, recycling, wetlands, grasslands/prairies, conservation practices, invasive species control, native landscaping.

1. _____ 2. _____ 3. _____

Seedlings must be used for windbreaks, reforestation, erosion control, wildlife habitat, or other conservation practices. Plants may not be resold with roots attached. All stock is inspected/certified by MDARD. The Montcalm Conservation District reserves the right to cancel orders and refund payments, if necessitated by weather or reasons beyond our control. Seedlings are sold on a first come first served basis.

Pickup will be in the office parking lot; drive through style on Sept 28; 9:00 am to 4:00 pm in Stanton. Orders are not shipped.

If you have questions please call (989) 831-4212 ext. 105
